David- we are still talking but have not reached a resolution. I take some responsibility for not having made more progress, as I was out of town for a good part of this week.

OK, thanks Andrew. It would be helpful if the other parties would give us a status report also.

David,

Previously, you gave the parties an extension until the close of business on Friday, November 7, 2014, to report back as to whether or not the complaint had been settled. In an effort to help facilitate a resolution, ORS has made itself available on a continuing basis to both TMS and Windstream. However, ORS is aware that the parties are communicating together and have not chosen to utilize ORS' assistance at this time.

Of course, if we can be of any assistance, please do not hesitate to let us know.

Thank you,
